Hi everyone,

I like to respond to all your emails that were sent a few weeks ago. Below is a segment of Dad's letter it is translated roughly that was sent to Michael before his death.

".. they made my life very difficult such as locking everything in the house including my own personal items, yelling at me when I reported their children playing rough, demanding the return of the cassette player, electric iron which I have been using for 1 year, complaining that I forget to turn off the stove which happened only once last year. These people are snake..."

Quang should not be given a pass for his despicable behaviors toward our father] Loan, Ryan, Mark have been making false accusations, behaving with deep hypocrisy at the same time proclaiming their high moral and religiosity. This is in hope that I can explain to others that instead of appreciate Michael's generosity. but trashing him.

1. From 1975 to 1999 Michael has sent \$150 each month to our parents. The total amount was about \$43,000.
2. From 1999 to 2012 Michael has sent the amount \$40,780.0 to Dad and \$27,525.0 to Quang. See attached.
3. Michael has not found records of money that he sent Dad from 2012 to dad's last day.
4. Total amount without those of item 3 above is: \$111,305.0
5. Hai Le quit claim his 30% to Loan Le then Loan Le quit claim the La Cabra house to Michael Wyn because they'd declared bankruptcy and were unable to pay for the maintenance & upkeep of this house. No one else was paying the mortgage, tax, utilities, ... of this house.
6. Dad was so scared of ghosts after Mother died. He adamantly demanded to sell the house and leave the La Cabra house. The second house was sold, due to Danielle and I were living there and we didn't get along. It was sold, because no one will pay the mortgage, or the property tax
7. As recent events shown, no one has ever given financial support to other needy family members. Michael has been helping many family members in time of need and don't claim nor declare credit/moral superiority.

There are more timre8 can be added to those above that show Michael has helped the family since 1975, but most of you are unpreciate to his generosity. As I stated in my last email that Michael has worked very hard all his life from a janitor, at Jack in a Box, so he can have today. Do you think that he should spend the last penny he has to help the family to please everyone? To me if someone has helped me even \$1 then I will always remember his/her kindness.

Lastly, I still think that Quang and his wife Oanh should apologize to the whole family for how they treated Ba. Moreover, I was told by a family member when Ba was treated badly by Quang and his wife that I should make a report, due to I am working at the Social Services, but I don't like to use the law with family, and I don't want them to go to the jail.

Also, Quang should return \$3,000 to Michael. because Michael sent the money, and was thinking that I will be living with you and he not giving you as a gift as you said. There are more peoples in our family are poorer than you including myself.
